CANDLE PERMIT RULES FOR SAFETY

The Ceres emergency Services have issued a permit for the use of candles and related items to be used in a place of Public Assembly. The following rules for the use of candles and candle equipment will be followed to insure safety.

1. Only candles and equipment for candles that have a permit can be used.
2. Candles that are used as aisle markers or any other use where the candle will be within reach of anyone will be protected by a glass glove that extends above the flame of the candle.
3. Candles and equipment within reach of anyone will be securely attached to prevent tipping if bumped.
4. Only non-combustible decorations will be used with candles and candle equipment.
5. For weddings, the bride and bridesmaids need to be cautioned about flammability of their dresses and the stay clear of the candle flame.
6. Unity candles will be allowed only if a candle lighter device is used.
7. Candelabras will be placed behind or to the side, out of reach of anyone.

Note: If you have, any questions or concerns please contact the Fire Marshal at 209-538- 5703.
