

SENIOR CIVIL ENGINEER

\$7,121—\$8,656 (monthly)

2.45% Equity and COLA increase effective July 1, 2020

PLUS EXCELLENT BENEFITS

This senior level engineering opportunity will employ your project management skills to oversee and direct many of the City's Capital Improvement Projects. You will design and inspect for the use of sound engineering principles and the maintenance of City standards and specifications. Ideally you have strong experience in construction inspection and design, E-76 "Authorization to Proceed" working with Caltrans Division of Local Assistance, can effectively oversee engineering consultants and have designed and delivered CIPs that were federally funded.

Responsibilities may include:

- Assist the City Engineer in the preparation and monitoring of the capital improvement program.
- Provide direct supervision to professional and technical engineering staff; assign work and monitor progress.
- Oversee and participate in the development of Civil Engineering designs and plans including quality and cost.
- Review the design plans and check results of consulting engineers for compliance with sound principles.
- Perform contract administration and construction management of Capital Improvement Projects.

Requirements:

- Possess a California certificate of registration as a *Professional Civil Engineer*.
- *Five years* of increasingly responsible professional, public works engineering experience.
- Possess a *Bachelor's degree* from an accredited college or university with major coursework in civil engineering.
- Possession of a valid California Driver License.
- ****COVER LETTER REQUIRED****

Application Deadline: June 23, 2019

Interviews and/or Written Exam: Tentatively week of June 30, 2019
