

ASSOCIATE ENGINEER

\$6,294—\$7,651 (monthly)

2.45% Equity and COLA increase effective July 1, 2020

PLUS EXCELLENT BENEFITS

We're looking for our next engineer! You will employ your design and inspection skills to build out many of the City's Capital Improvement Projects using sound engineering principles and the maintenance of City standards and specifications. The ideal candidate has experience in construction inspection and design, E-76 "Authorization to Proceed" working with Caltrans Division of Local Assistance, and has helped design or deliver CIPs that were federally funded. We offer a diverse engineering environment to continually learn and grow as well as offer an alternative work schedule four days per week if desired.

Responsibilities may include:

- Design and prepare plans and specs for public works projects as well as their estimates of time and materials.
- Serve as construction inspector to ensure compliance on City projects, subdivisions and encroachments.
- Administer contracts; coordinate and review the work of outside consultants; review and recommend billing.
- Request and participate in the collection of survey and mapping data.
- Participate on Federal Highway Administration projects

Requirements:

- Possess an LSIT or EIT certificate.
- Two years of responsible engineering experience equivalent to that of our Assistant Engineer (see job spec).
- Possess a Bachelor's degree from an accredited college or university with major coursework in a related field.
- Possession of a valid California Driver License.

Application Deadline: June 23, 2019
