SMYRNA WELL MAINTENANCE REQUIRES TEMPORARY SKATE PARK CLOSURE: JANUARY 12 – 16, 2009

CERES, CA—Over the next week, January 12 through January 16, the Water Division will be performing maintenance on Smyrna Well and pumping well water at Smyrna Park for the purpose of keeping the water clean and appealing to the citizens. This may cause some wet conditions and possible flooding in the area of the skate park and the northeast part of the park. This area will be temporarily closed to the public to perform this necessary work. We appreciate the public's understanding and apologize for the inconvenience. Any questions may be directed to the Public Works Department at 538-5732.
