The applicant shall prepare traffic control plans in accordance with Chapter 5 of the Caltrans Traffic Manual for projects which require work in public rights of way.

The applicant further agrees that he or she shall take all necessary safety precautions reasonably required in performing any work pursuant to any permit granted by the City of Ceres, and specifically agrees to comply with any and all safety standards and rules that have been established by the State of California or the Federal Government.

The applicant further agrees in consideration of the granting of any permit issued pursuant to this application, that he/she shall indemnify and hold the City harmless from any and all liability for damages resulting from the negligence of the applicant, its agents, employees, subcontractors, or assigns, including damages for death, bodily injury, injury to property, and/or any and all liability, loss, costs, damages, fees of attorneys, and other expenses which the City may sustain or incur as a consequence of the negligence of the applicant, its agents, employees, subcontractors or assigns.

This permit is granted upon the express condition that prior to the commencement of any work on this project, the holder of this permit or its agents, employees, or independent contractors, shall provide to the City of Ceres proof of the receipt of all permits which may be required for such work by the Division of Industrial Safety.

PERMIT EXPIRES 6 MONTHS FROM THE DATE OF ISSUE.
