## **MAYOR'S STATEMENT ON RECONSIDERATION OF THE DISTRICT 4 APPOINTMENT**

After revisiting the appointment to fill the vacancy, it is important that our City Council continues to make positive decisions that represent the City. It is our responsibility to make the right choices. Representation of our Ceres residents is key. When confronted with challenges such as the matter at hand, we must be humbled to correct the wrongs and continue City business. City Council members deserve dignity and respect even if challenged on the dais. City staff also deserves the same treatment. We cannot and will not stand idle and continue to allow anyone to disrupt our meetings.
