**(P21-006) - ATPL SRTS MORGAN ROAD CORRIDOR IMPROVEMENTS**

**RE: Traffic Advisory Update**

Due to weather conditions, this traffic advisory is now **extended** for three additional weeks from **October 28<sup>th</sup> to November 18<sup>th</sup>**. This current phase of work includes overlay, thermo-striping, and raising iron. Therefore, we ask drivers to expect additional delays, follow signage and slow down through the construction zone. United Pavement Maintenance is working diligently to keep the construction zone safe. We apologize for this inconvenience and thank you for your cooperation.

Should you have specific concerns or questions about the project, please contact the City of Ceres Engineering staff or the general contractor listed below:

**Max Navarro,  
Project Manager City of Ceres**

**(209) 538-5630**

**Wing Chang,  
Secondary Contact City of Ceres**

**(209) 538-5623**

**Greg Drake,  
Project Superintendent United Pavement Maintenance Inc.**

**(209) 448-1321**

United Pavement Maintenance Inc., in partnership with the City of Ceres, is committed to building this project in a safe and timely manner. Every effort will be made to minimize traffic delays and commute time during construction.

The City of Ceres would like to thank you in advance for your patience and cooperation during this project.
